STACKING BOXES

Design by: suek86401 (5 Projects)

About me: I've been a crafter all of my life. The day I bought my Cricut Expression changed my life, I can spend hours and hours cutting, assembling and just plain having fun, "playing" with all of my toys.

Project skill level: moderate

Project time: 30 minutes to 1 hour

Project tags: Boxes/Bags/Tags Birthday Family Home Décor/Accents Feminine Classic Teacher Gifts/Cards Gifts Mom/Grandma Dad/Grandpa Friends

I'm finally getting settled into my new craft room and I finally have some time to get a few projects done that have been waiting for quite a while. I got these boxes at the May 2012 Great Lakes Mega Meet in Novi, MI, I'm really going to miss the Mega Meet this year but I wouldn't go back to that climate for anything.
