

# FLAME SKATEBOARD HELMET

Make a striking design for your helmet!

## MATERIALS:

Cricut Expression® Electronic Cutting Machine

Cricut® Projects Cartridge, Stencil

Cricut® Stencil Material

Airbrush paint: red, orange, yellow, black

Airbrush

Cardstock

Helmet

Tape

## INSTRUCTIONS:

1. Airbrush helmet black. Let dry.

2. Using Stencil cartridge and scrap cardstock, cut one <Flame>.

You may need to experiment with sizes to figure out what size will fit your helmet.

Once you have found the correct size, cut flame from stencil material. Use negative to create stencil.

3. Secure stencil on helmet with tape once helmet is dry.

4. Use airbrush to spray flame design on helmet using red, orange, and yellow paint.

Remove stencil. Let dry.
