STUPID SMELLY BUS

**Design by:** NadiaHerbstMcConnell (6 Projects)

**About me:** I like manually altering figures and combining cartridges to get just the image I want! My favorite projects are vignettes and gift sets! For years, my preferred medium was fabric!

**Project skill level:** moderate

**Project time:** 1 hour to 2 hours

**Project tags:** School  Kids  Teacher Gifts/Cards  Cards  School Cards  Playful  Kid Cards  Lunchbox Cards  Back to School

Back-to-school card featuring animals morphed together using Teddy Bear Parade and other carts, stuffed into a school bus!

## CRICUT®: WHAT WAS USED

Cricut® Doodlecharms Cartridge

Cricut® New Arrival Cartridge

Cricut Expression® Machine

## STEP 1

Create critters using Teddy Bear Parade and Doodlecharms (for the cat head), County Fair (for the pig head), and New Arrival (for the frog head). To see cut sizes and other info, go to http://cricutfanatics.blogspot.com/2012/09/back-to-school-card-stupid-smelly-bus.html.

## STEP 2

Cut a bus from Locker Talk with an extra base. To see cut sizes, techinques, and other info on this step, check the blog post: http://cricutfanatics.blogspot.com/2012/09/back-to-school-card-stupid-smelly-bus.html

## STEP 3

Create a background to anchor the bus to the page! Cut the card base and adhere the artwork to it. For cut sizes for the card base and background, yep, you guessed it: check out the blog post! http://cricutfanatics.blogspot.com/2012/09/back-to-school-card-stupid-smelly-bus.html

## STEP 4

To see all the directions, cut sizes, cart info for this project: http://cricutfanatics.blogspot.com/2012/09/back-to-school-card-stupid-smelly-bus.html

To see my blog post on how to morph new critters using the Teddy Bear Parade cartridge, check this one: http://www.withglitteringeyes.com/2012/08/expanding-teddy-bear-parade-for-even.html
