

## EXTREME FONTS - WEEK ONE

**Design by:** [suek86401](#) (13 Projects)

**About me:** I've been a crafter all of my life. The day I bought my Cricut Expression changed my life, I can spend hours and hours cutting, assembling and just plain having fun, "playing" with all of my toys.

**Project skill level:** [moderate](#)

**Project time:** [1 hour to 2 hours](#)

Happy Easter Banner made using Extreme Fonts, Pretty Pennants and Lori's Garden. I didn't have room to add all of the pictures.

## CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Cricut Imagine® Machine

Cricut Imagine® Art Cartridge, Lori's Garden

## OTHER MATERIALS NEEDED

- Cardstock of your choice
- Crystal Coat Glaze
- Foam Pads
- Craft Glue
- Jewels
- Ribbon
- Glue Gun
- 1/4" Paper Punch

## PROJECT CUT FILES

 [Happy Easter 2013.ccr](#)

### STEP 1

First I printed up 6 sheets of the Blue Flowered Paper on page 39 of the Lori's Garden handbook. Next I designed my banner cuts, using the, "Mesh" feature on page 11 of the Pretty Pennants handbook at 8" with the letters spelling out, "Happy Easter" centered as seen in the pictures, utilizing Extreme Fonts, at 2.75", leaving one banner flag blank in the "medallion" area. Save the negatives of the font cuts.

### STEP 2

Cut 12 dark blue banner pennants using the, "BnrScIp3" from page 11 of the Pretty Pennants handbook at 8.25". Assemble cuts utilizing the font negatives to finish off your letters.

### STEP 3

String flags onto ribbon in order with the flag with the blank, "medallion" in between, "Happy" and "Easter".

## STEP 4

Print and cut 2 of the blue flowers on the top of page 18 of the Lori's Garden handbook at 3", separating the layers. Cut another of the same flower at 4.25". Cover top layer of the flower cuts with Crystal Coat Glaze or similar product, when dry add blue jewel to flower center and assemble flowers using foam squares.

## STEP 5

Attach the largest of the flower cuts to the blank, "medallion" and the small flowers to the ends of the ribbon, with a hot glue gun.
