This colorful Southwest themed shape album is a wonderful way to share special photographs. The album and its matching dream catcher wall hanging, created using the Cricut Southwest cartridge and Cricut Craft Room, are sure to be welcome additions to any room. And then to top it off... what would a gift set be without a card? Created using Cricut Craft Room along with the Southwest and Suburbia cartridges this matching card can also double as a useful notepad holder. Thanks for looking.
