

FREE BABYSITTER MAGNET

Design by: <u>suek86401</u> (24 Projects) About me: I've been a crafter all of my life. The day I bought my Cricut Expression changed my life, I can spend hours and hours cutting, assembling and just plain having fun, "playing" with all of my toys.

Project skill level: advanced Project time: less than 30 minutes Project tags: Baby Shower Baby Gifts

My sister's pastor's wife is expecting, her baby shower is coming up, Sandy is handcrafting a quilt and asked me to create a magnet indicating that she would babysit for free.

BEFORE CUTTING!!!!!!! Be sure to run shrink plastic through printer, I used Mcrosoft Word and a size 36 font. After shrinking, the printed on layer will be the size of a standard business card.

STEP 2

Cut pieces using Baby Steps and CCR Basics, after cutting, color using the colored pencils, markers, etc. Then shrink pieces per manufacturer's directions.

After pieces have cooled, assemble layers and adhere to base, add a real pom pom to the hat. Adhere magnets to back (I used 3 magnets).
