Here is a quick card made pairing Anna Griffin's Climbing Rose Cuttlebug folder with the Cricut cartridge Preserves.

### CRICUT®: WHAT WAS USED

Cricut® Preserves Cartridge

Cuttlebug® Machine - New Design!

Cricut Expression® 2

### OTHER MATERIALS NEEDED

- AG Climbing Rose Cuttlebug Folder
- AG All Occasion Card Making Kit
- AG Carmen Cardstock Collection
- Liquid Pearls in Buttercup

#### STEP 1

First, I selected matching cardstock papers. I started with the yellow from the Carmen collection and was inspired to create a pineapple to go along with it.

#### STEP 2

Next, I selected the Climbing Rose folder because it matched the pattern on the cardstock. I embossed it before layering it onto my patterned green card base.

#### STEP 3

Next, I embossed the matching border onto a 1 1/2" white cardstock strip and adhered it to the card.

#### STEP 4

I cut and assembled the pineapple from the Cricut cartridge Preserves and added it to my card, just layering the white border strip.

#### STEP 5

I selected two stickers from Anna's All Occasion Card Making kit and added those to the bottom of each side of the pineapple.

#### STEP 6

I stamped the sentiment "Welcome" and layered it onto a tag and onto to the card.

#### STEP 7

I used Liquid Pearls in buttercup to add some subtle bling to the flower middle and sentiment tag.

#### STEP 8

Super quick card with a lot of texture. I can't wait to use my other Anna Griffin folders!
