PRIDE AND JOY

Design by: [HollyHudspeth](#) (9 Projects)

About me: I like to try all techniques in scrapping and am constantly learning. I am finding that most embellishments can be cut with a cricut machine. A little glue and paper and you can have anything.

This is my DD who is my Pride and Joy. She is wearing the hat of her beloved boyfriend on the anniversary of his death. She was going to a concert of his favorite band with his family.

OTHER MATERIALS NEEDED

Small Talk Frames and Tags Cart

White glitter

Ribbon

Cosmo Cricket's Sweet Disposition

When I Was a Kid Cart

Bling

White cardstock for backdrop

STEP 1

Print papers from the Cosmo Cricket Sweet Disposition Digital Paper line

STEP 2

Lay 8.5 x11 paper sideways on the white paper. Hand cut the hexagon paper to make a border for the bottom.

STEP 3

Cut the backdrop frame using When I was a Kid. I used the one with the arrow and the tab with the heart and welded them together. Cut the tag and save the inner bee for the upper right corner. Cover it with glitter.
Cut the hexagon background using When I Was a Kid, glue that down on the upper left corner of the 8.5 x 11 page. Using the Small Talk cart, cut the tabs on the side with sayings appropriate for your theme. Use words in the middle to create interest for the title. I used the word "my". I also cut the border from the same cart.

STEP 4

Glue down 8.5 x 11 sheet sideways at the top. Glue the border on top of that. Then add the matt and picture, tucking the tabs in on the side. Raise the medallion with the bee on pop dots in the lower left corner of the pic. Add glitter to the bee and small heart cut from the background mat. Glue both down as shown. Put a cut or paper flower in the lower right part of the pic. Add the border across the hexagon border at the bottom putting bling on each circle

STEP 5

Cut two layers of the button from the Small Talk cart in 1.5 inches and add string to it through the wholes to give it a hand sewn look.

STEP 6

Cut Tag from the Small talk Cart and tuck it behind the bee medallion. Add ribbon to the top of the tag to tie it into the tied button.
